

Four people came to the Archery meeting in November and discussed the start-up of an archery group for the club. At the Board of Directors meeting in November the archery group was recognized by vote of the Board as a probationary group in accordance with the by-laws.

Doug Kitchens has been appointed the representative of the archery group to the board of directors. Additionally, we have been contacted by a representative from Kingston High School and the Flaming Arrows from the Kitsap 4H. Both groups are very interested in participating.

A meeting a work party is schedule for December 15th at 10AM at the clubhouse. Please encourage everyone to attend.
