

Hi Members,

The 2008 membership renewal is well under way.

A BIG thanks to JoAnne and Jack Spohn for printing, folding, and stamping 530 PSC renewal applications. It made my job of getting them out to you a whole lot easier.

I have processed 143 so far and have many more coming in daily. Please do your part in making sure you are sending everything we need to process your membership.

**\* Read the application!!**

**\* Send a photo copy of your NRA card or the label off your magazine**

**\* If you are a family membership, spouse or companion must sign the form**

**\* Send the correct amount, and sign the check.**

**\* Please give us your phone numbers. If we need to ask you a question about your membership it is much easier to call you.**

JoAnne is holding about 20 applications that don't have everything that we need.

All these things are needed to process your application. If you don't give us all the correct information your membership will be delayed in getting back to you.

Right now it is about a 3 week turn around getting your membership back to you. I will get them out as fast as I can.

If you have not sent in your application please do so. Please don't wait till the last week in March.

**All 2007 membership expire as of March 31, 2008**

Happy shooting
