

Hello Members of Poulsbo Sportsman Club,

First off, I would like to thank you for electing me and allowing me to serve you. My goal is to have the safest, nicest and friendliest club in the Northwest. If you haven't noticed there are already projects going on to help with this goal. There is a new maintenance crew that has hit the ground running, so if you see them around just take a quick second to tell them "Thank you" for their service. Also, if you have any ideas or concerns do not hesitate to e-mail me or call, my contact info is on the main page.

Another goal I have is to get more members involved. This club belongs to every single member and you have a voice in what goes on here. We have the General Membership meeting every first Tuesday of the month at 7pm and nothing would make me happier than to have the clubhouse packed with all of you!

As of January 1st, 2010 memberships are now being processed. If possible, get those in early so you don't forget about them. For 2010 there is a new "perk" for our members. You will now be able to bring four guests thru-out the year for free.

Again, I thank you for the opportunity to serve you and I look forward to seeing you at the range and our meetings.

Until Next Month,

Tim Kizziah, President
