

Hello again Guys and Gals,

Where does the time go, here we are and it is already June!! I hope everyone has had a great first half of 2010. Ok, onto more interesting things.

If you haven't heard, we now have more after hours shooting times for the membership. Monday-Tuesday and Thursday, Friday, and Saturday, you now have from 5pm till 8pm for members only shooting times. Wednesday is reserved for archery till the end of summer.

Other news, when the weather permits, you will notice a lot of activity on the 100 and 200 yard ranges as the maintenance crew does what they do best, improvements!!! So if you see those guys out there working take a quick second to say thanks for their hard work.

I have had quite a few members e-mail and talk to me with different ideas that they would like to see at our range. Please, keep them coming because my main goal is to have the range offer you, the membership, what you want.

Lastly, starting June 1st our meetings will start at **1830 (6:30pm)**. Again, I can't stress enough how important it is to me to have as many members come to the meetings as possible. This is how your club is ran and how you can help run your club.

I look forward to seeing you at the range and meetings!!!

Till next time, stay safe and shoot straight,

Tim Kizziah, PSC President
