

## **RANGE POINT ACQUISITION GUIDELINE**

1. **Shooting Disciplines** will control their own range point system for work or shooting events. Range points earned for work or shooting events will be redeemable for personal purchases or club membership. Funding for these range points will come from the disciplines funding.
2. Any club member in good standing, including all members of a family membership, who performs work on club projects as scheduled and approved by the Board of Directors, is eligible for Range Points.
3. Any club member in good standing who is NRA (National Rifle Association) certified as an RSO (Range Safety Officer) or Club certified as a RO (Range Officer) is eligible for range points when in charge of the Pistol and Rifle Ranges other than club scheduled events.
4. Range Points will be accumulated as follows:
  - A. All work on club projects/events will be eligible for 4 Range Points per hour of work, **not to exceed the scheduled project/event hours**. Club members may accumulate a maximum of 400 Range Points per year per member. Range Maintenance Personnel will be eligible for 4 Range Points per hour of work.
    1. The following equipment furnished by club members will be eligible for 15 Range Points per hour of work. (Excavator, Bulldozer, Tractor, Dump Truck)
  - B. Range Officer Duty (**one RO per shift, unless prior approval is authorized by the BOD or Range Point Administrator**) is eligible for Range Points as follows without a maximum yearly accumulation limit.
    1. 3 Range Points per hour during the week.
    2. 5 Range Points per hour on weekends and holidays.
    3. **Daily Range Officer hours will not exceed the operating hours of the range**, except as noted in "B" above.
5. All monthly Range Point activity shall be recorded on the appropriate Range Points Activity Sheets maintained in The Range Office or separate Range Points Activity Sheets may be turned in to the Range Office no later than (2) two days after the end of the month. Range Points submitted later than the second (2<sup>nd</sup>) day of the following month will not be credited to the individual. Range Points earned will be credited to the individual in the Range Point tracking program. Range Points earned for club work will be kept separate from Range Points earned for Range Officer Duty. The Range Point program administrator will provide current listings of individual's points by category, which will be posted at the range and clubhouse.
6. Range Points are redeemable for personal purchases or club membership. Range Points will not be redeemed for money. All Range Point redemption requests by club members will be in writing to the Range Point Administrator. A redemption certificate (i.e., hand written receipt) will be issued by the Range Point Administrator, made out to PSC membership, to the member (if original receipts are provided) or to the merchant from whom the personal item(s) are being purchased. The administrator will submit the original receipt (white copy) to the PSC Treasurer for membership or check.
7. Expiration of Range Points: Range Points listed for individuals on the monthly Range Point Report For Year XXXX sheet will expire on the 1<sup>st</sup> of April for those listings that have not had any activity during the previous Club Year (through March), whereas all other Range Points will be carried over to the next Club year and will show on the April Range Point Report sheet as carried over Range Points. Any questions may be directed to the Range Points Administrator.
8. The Range Point system and the procedure for obtaining redemption certificate from the person administering the Range Point program will be under the direction to the Board of Directors.
