

If you are renewing your National Rifle Association membership or initially joining the NRA, the Poulsbo Sportsman Club is a recruiter for the NRA. We can offer you reduced rates for a one-year, three-year, five-year, or regular life membership. Visit the PSC clubhouse or range office and ask for an application form. The NRA returns a commission to the PSC for all applications we submit. Fill out the form (keep the pink copy) and leave the yellow and white copies along with a check made out to the NRA with the range safety officer or clubhouse representative. Do not leave cash. Your application will be mailed to the NRA and you will receive notification of your membership status in six to eight weeks. This is not the path to choose if you are trying to renew in a hurry before the membership year ends.

The membership prices below are effective December 1, 2017
